

# Edmond Otis

**A NZ resident since 2008, Edmond Otis is an international speaker with a unique and powerful message.** He is a modern karate master who combines 42 years of intense martial arts training with experience as psychotherapist, peak-performance coach (executive and sport), author, and Distinguished University Lecturer – to create *entertaining* presentations that are *exciting, motivating* and *relevant* every audience.

**Edmond teaches people to be fearless.** Fearless in the truest sense; being able to strategize effectively, live fully, act decisively, and communicate persuasively - *when results are important - and outcomes matter!*

**Edmond's unique background** and life-experience give him insights into human nature, personal strength, communication, conflict, and problem solving that are unmatched.

**As a speaker,** Edmond combines cutting edge research, modern psychology, personal experience, and classic martial-art strategies. His unique perspective on being focused, effective, decisive, persuasive - **FEARLESS** – inspires audiences to achieve any goal and overcome any challenge.

**Edmond's "Tiger's Spirit, Human Heart®"** presentations are tailored with real care to the needs and goals of each particular audience.

**Edmond's presentations inspire and strengthen moral.** He combines a hands-on approach with classic solutions to our most difficult professional and personal challenges. In effect training your people to be fearless, energized, and effective.

**Edmond's event, motivational, and team building topics include, but are not limited to:**

**Peak Performance "ZONE NOW"!** You Must Be Your Best - To Do Your Best

**Success? First, You Need To Be Fearless!**

**Defending the Self:** Thriving in the Face of Change, Crisis, and Conflict

**What the Masters Know:** Martial-Art Strategies to Revive the Spirit and Kick Start Forward Momentum

**The Beauty of the Beginner's Mind**

**Personal Balance:** The Artful Way Of Being.

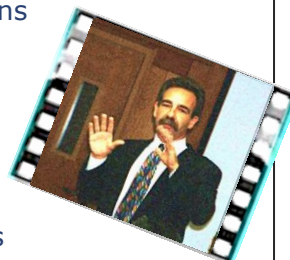

**Click on titles to see four short clips...**

**The Story of the Samurai** - "Let's face it, all plans work well on paper!"

**The Keys to Success** - "Controlling your emotions is crucial, because crisis is inevitable."

**The Mastery of Skill** - "Seeing solutions is a necessity, because change is unavoidable."

**The Power of Your Spirit** - "Making an impact is critical, because conflict is eternal."

**"Wow! What a presentation! Your team-building session afterwards was absolutely outstanding.**  
*Scott Boston, President, US Industrial Hygiene Association*

**"Edmond was great! Easy to understand, exciting to listen to and a great sense of humor!**  
*Unison: The Powerlines People*

**"Well spoken, direct and interesting. Very helpful and insightful. Related knowledge to our needs very well!"** *Rachel Gunsan, Green Prescription, Sport Hawke's Bay*

**"The comments I received can easily be summed up with the word 'outstanding'. You were engaging to say the least. Your dynamic way of sharing made the presentation a welcome dialogue between you and the audience."** *Shirley Ewells, Chair, City of Pasadena EAP Advisory Committee*

**"Excellent presentation! Captivating and easy to listen to!"** *Sharon Hanne, Physiotherapy NZ.*

**"Your were a huge hit with our staff! ... Our job is to keep it going. Thanks again for an excellent presentation"**  
*Patricia Harding, Executive Director, Burlingame Systems*
